

Real Farming Today

EXPO

Brought to you by...

FERTILIZER & CHEMICAL

Tuesday, January 9th, 2018

9 am - 3 pm

at Sims in Osborne (405 Industrial Ave)

Lunch Provided

You won't want to miss out on this opportunity to hear what some of the leading experts in our industry have to say about farming today.

Topics include...

The future of Banvel (Are Banvel beans my only option?)

Paraquat safety and efficacy (Is this the same as agent orange?)

Weed resistance (I'm done with weeds, I'm getting out the iron!)

... and many more topics you won't want to miss!!

Bill Jacobs
